Antonio Guerrero

Co-Chairs, Connecticut General Assembly Transportation Committee

RE: SB 149 -"An Act Authorizing Municipalities To Conduct a Pilot Program for the Use of Automated Traffic Control Signal Enforcement Devices at Certain Intersections"

Dear Senator DeFronzo, Representative Guerrero and members of the Committee:

Please support passage of this bill. These devices not only will save lives by reducing red-light running, but also also will help authorities faster identify and apprehend hit and run drivers traveling in their vicinity.

Sincerely,  
Lynne Shapiro
